What an incredible opportunity to purchase a fully-finished family home that's been extremely well maintained, in a cul-de-sac, and backing a walking path!! A large foyer leads to the wide open great room and kitchen.

There's main floor laundry, a 2pc bath and access to the heated double garage. Up the stairs you'll find a well appointed bonus room, and 3 bedrooms total including the primary complete with a roomy ensuite and walk-in closet. Bedroom 4, another full bathroom, the family room, and plenty of storage round out the finished basement. Central air, central vac, fresh paint and some modern upgrades add value at every turn. Large fenced yard and mature trees plus an excellent location too with many schools in the area and quick access to the TLC and commuter highways!
